## False Reports Kept Many From the Track --- Reward Offered.

ISPECIAL TO THE EVENING WORLD.]
MORRIS PARE RACE TRACE, July 29.—The match between Tenny and Longstreet has been postponed by mutual agreement between Mr. D. T. Pulsifer and Mr. M. F. Dwyer, the owners of the horses. The rains of last night made the track very heavy, and neither

Before the rain had ceased harrows were put to work in the vain endeavor to dry out the track to permit the match being run. The water had sunk too deep, however, and the absence of the sun all the morning made it all the more difficult.

W. F. Dwyer arrived a few minutes before 2 ociock. He and Mr. Pulsifer adjourned to the timing stand and they held a comfab. The result of it was that the match was postponed. "We will run it off on Friday at the track if the Association is willing," said Mr. Dwyer.

"We will run poned the process of the Association, like "Barkiss," was willing, said Mr. Mr. Withers, upon being asked if the Association, like "Barkiss," was willing, said sthat the matter could not be arranged for Friday because the programme for Jerome on that day had already been arranged and advertised. They could race on Satnrilay, however, but it is not definitely settled.

The reak of the programme was a fair one, but the postponement of the match caused a lack of Interest in the rest of the card. An extra race at half a mile for two-year-olds y was arranged. Thus there are six races, but five out of six were down the straight course, and in consequence were uninteresting.

The attendance was not large. Many hundreds of people were probably kept away by the false report sent out by the Ticker people to the effect that all the races were postponed. Mr. Morris has offered \$500 reward or information which will lead te the arrest of the man who sent out the announcement.

The first race contained only five starters with Chesapeake a hot tavortic and the others well backed. Mary Stone was played heavily for a good thing.

The race was run in a pouring rain storm and resulted in a ratting finish between Stepner and Chesapeake, the former winning by a nose. Mary Stone the good thing, was third.

The Longstreet-Tenny match at Morris Park had the effect of considerably diminishing the attendance here to-day.
